## Background

### **A. The Bankruptcy Filing and General Case Background**

On January 29, 2019 (the “**Petition Date**”), the Debtors commenced voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee, or examiner has been appointed in either of the chapter 11 cases. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only, pursuant to Bankruptcy Rule 1015(b).

On February 12, 2019, the United States Trustee (the “**U.S. Trustee**”) appointed an Official Committee of Unsecured Creditors (the “**Creditors Committee**”). On February 15, 2019, the U.S. Trustee appointed an Official Committee of Tort Claimants (the “**Tort Claimants Committee**” and, together with the Creditors Committee, the “**Committees**”). Additional information regarding the circumstances leading to the commencement of the chapter 11 cases and information regarding the Debtors’ businesses and capital structure is set forth in the *Amended Declaration of Jason P. Wells in Support of the First Day Motions and Related Relief* [Docket No. 263] (the “**Wells Declaration**”).

MTO seeks interim compensation for professional services rendered to the Debtors during the Fee Period in the amount of \$14,694,962.00, which includes the 20% holdback under the Interim Compensation Order, and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of \$642,088.48.<sup>2</sup> During the Fee Period, MTO attorneys and paraprofessionals expended a total of 20,832.1 hours for which compensation is requested.

As disclosed in the First Interim Application, the retainer balance of \$750,745.61 is being held by MTO until the conclusion of its engagement and applied to any fees or expenses awarded in a final fee application, with the remaining balance, if any, to be returned to the Debtors.

<sup>2</sup> Non-working travel time reflects the Court’s ruling on the Fee Examiner motion heard on October 7, 2019 and further discussion with the Fee Examiner regarding non-working car travel time. MTO has adjusted the October monthly fee statement non-working travel time being requested in this Amended Fee Application to conform to the Court’s ruling and the discussions with the Fee Examiner, which results in a reduction of non-working travel time of \$33,985.00.

1 **Fees and Expenses Incurred During the Fee Period**

2 **A. Customary Billing Disclosures**

3 MTO's hourly rates are set at a level designed to compensate MTO fairly for the work of its  
4 attorneys and paraprofessionals and to cover overhead and operating expenses. The hourly rates and  
5 corresponding rate structure utilized by MTO in these chapter 11 cases are the same as the hourly rates  
6 and corresponding rate structure MTO uses for other corporate, regulatory, litigation, and restructuring  
7 related matters, whether in court or otherwise, regardless of whether a fee application is required.  
8 MTO's rates and rate structure reflect the complex and time sensitive nature of the matters handled by  
9 MTO. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as  
10 **Exhibit B** is MTO's budget and staffing plan for this Interim Fee Period, and attached hereto as  
11 **Exhibit C** is a summary of blended hourly rates for timekeepers who billed to the Debtors during the  
12 Fee Period and a comparison to blended hourly rates on other matters.

13 **B. Fees Incurred During the Fee Period**

14 MTO maintains computerized records of the time expended to render the professional services  
15 required by the Debtors and their estates. For the convenience of the Court and all parties in interest,  
16 attached hereto as **Exhibit D** is a summary of fees incurred and hours expended during the Fee Period,  
17 setting forth the following information:

- 18 • the name of each attorney and paraprofessional for whose work on these chapter 11  
19 cases compensation is sought;
- 20 • each attorney's year of bar admission and area of practice concentration;
- 21 • the aggregate time expended and fees billed by each attorney and each  
22 paraprofessional during the Interim Fee Period;
- 23 • the hourly billing rate for each attorney and each paraprofessional at MTO's current  
24 billing rates; and
- 25 • the number of rate increases since the inception of the cases (of which there has  
26 been one, effective as of January 1, 2020 [Docket No. 4922]).

26 **C. Expenses Incurred During the Fee Period**

27 MTO maintains a record of expenses incurred in the rendition of the professional services  
28 required by the Debtors and their estates and for which reimbursement is sought. For the convenience

of the Court and all parties in interest, attached hereto as **Exhibit E** is a summary, setting forth the total amount of reimbursement for the Fee Period with respect to each category of expenses for which MTO is seeking reimbursement.

8 MTO has incurred a total of \$642,088.48 in expenses on behalf of the Debtors during the Fee Period.  
9 These charges are intended to reimburse MTO's direct operating costs, which are not incorporated into  
10 the MTO hourly billing rates. MTO charges external copying at the provider's cost without markup.  
11 Only clients who actually use services of the types set forth in **Exhibit H** of this Amended Fee  
12 Application are separately charged for such services.

13                   **Client Review of Billing Statements**

14                   Pursuant to the Local Guidelines, a cover letter was sent to the Debtors with a copy of the  
15 Amended Fee Application concurrently with the filing of this Amended Fee Application. The letter  
16 invites the Debtors to discuss with MTO and/or the U.S. Trustee any objections, concerns, or questions  
17 the Debtors may have with regard to the requested compensation and reimbursement set forth in the  
18 Amended Fee Application. A copy of the transmittal letter is attached hereto as **Exhibit I**.

19                   **Reasonable and Necessary Services Provided by MTO**

20                   **A.     Reasonable and Necessary Fees and Expenses Incurred in Providing Services to the**  
21                   **Debtors**

22                   MTO respectfully submits that the professional services provided to the Debtors during the Fee  
23 Period were reasonable, necessary, and appropriate to the administration of these chapter 11 cases and  
24 related matters. MTO makes every reasonable effort to ensure that travel meals, hotel rates, and  
25 airfares are reasonable and appropriate expenses for which to seek reimbursement.

26                   MTO regularly reviews its bills to ensure that the Debtor is only billed for services that were  
27 actual and necessary and, where appropriate, prorates expenses.

1                    **MTO's Requested Compensation and Reimbursement Should be Allowed**

2                    Section 330 of the Bankruptcy Code provides that a court may award a professional employed  
3 under section 327 of the Bankruptcy Code “reasonable compensation for actual, necessary services  
4 rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330  
5 also sets forth the criteria for the award of such compensation and reimbursement:

6                    In determining the amount of reasonable compensation to be awarded to  
7 an examiner, trustee under chapter 11, or professional person, the court  
8 shall consider the nature, the extent, and the value of such services,  
taking into account all relevant factors, including –

- 9                    (a) the time spent on such services;
- 10                    (b) the rates charged for such services;
- 11                    (c) whether the services were necessary to the administration  
12 of, or beneficial at the time at which the service was  
rendered toward the completion of, a case under this title;
- 13                    (d) whether the services were performed within a reasonable  
14 amount of time commensurate with the complexity,  
importance, and nature of the problem, issue, or task  
15 addressed;
- 16                    (e) with respect to a professional person, whether the person is  
17 board certified or otherwise has demonstrated skill and  
experience in the bankruptcy field; and
- 18                    (f) whether the compensation is reasonable based on the  
19 customary compensation charged by comparably skilled  
practitioners in cases other than cases under this title.

20 11 U.S.C. § 330(a)(3).

21                    In determining the amount of allowable fees under Bankruptcy Code section 330(a), courts are  
22 to be guided by the same “general principles” as are to be applied in determining awards under the  
23 federal fee-shifting statutes, with “some accommodation to the peculiarities of bankruptcy matters.”  
24 *Burgess v. Klenske (In re Manoa Finance Co., Inc.)*, 853 F.2d 687, 691 (9th Cir. 1988). In assessing  
25 the propriety of an award of attorneys’ fees, twelve factors relevant to determining such fees were  
26 identified in *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714, 717-719 (5th Cir. 1974), a Title  
27 VII class action case under the Civil Rights Act of 1964, 42 U.S.C. § 2000 et seq., and *Kerr v. Screen*  
28

1 *Extras Guild, Inc.*, 526 F.2d 67, 70 (9th Cir. 1975), *cert. denied*, 425 U.S. 951 (1976): (1) the time and  
2 labor required, (2) the novelty and difficulty of the questions, (3) the skill requisite to perform the  
3 service properly, (4) the preclusion of other employment by the professional due to acceptance of the  
4 case, (5) the customary fee, (6) whether the fee is fixed or contingent, (7) time limitations imposed by  
5 the client or the circumstances, (8) the amount involved and the results obtained, (9) the experience,  
6 reputation, and ability of the professionals, (10) the undesirability of the case, (11) the nature and  
7 length of the professional relationship with the client, and (12) awards in similar cases. *See American*  
8 *Benefit Life Ins. Co. v. Baddock (In re First Colonial Corp. of America)*, 544 F.2d 1291 (5th Cir. 1977)  
9 (*Johnson* criteria applicable in bankruptcy cases.).

10 In making a fee award, bankruptcy courts should consider the circumstances of the case, and  
11 the manner in which professional services were performed, as well as the results achieved. *Roberts,*  
12 *Sheridan & Kotel, P.C. v. Bergen Brunswig Drug Co. (In re Mednet MPC Corp.)*, 251 B.R. 103, 108  
13 (9th Cir. BAP 2000). When determining whether the services were actual and necessary, “a  
14 professional need demonstrate only that the services were reasonably likely to benefit the estate at the  
15 time rendered.” *Id.* at 108. Thus, while it is a relevant factor, § 330(a) “does not require that the  
16 services result in a material benefit to the estate in order for the professional to be compensated.” *Id.*

17 MTO respectfully submits that the services for which is seeks compensation in this Amended  
18 Fee Application were, at the time rendered, beneficial to the Debtors and necessary to the  
19 administration of these chapter 11 cases. MTO believes that it performed the services for the Debtors  
20 economically, effectively, and efficiently, and the results obtained benefited not only the Debtors, but  
21 were necessary for the administration of the Debtors’ cases. MTO further submits that the  
22 compensation requested herein is reasonable in light of the nature, extent and value of such services to  
23 the Debtors, and all parties in interest and satisfy the *Johnson* factors.

24 During the Fee Period, MTO’s hourly billing rates for attorneys ranged from \$460.00 to  
25 \$1,400.00 for 2019 and from \$490.00 to \$1,600.00 effective January 1, 2020. **Exhibit C** contains  
26 information regarding the blended hourly rates for MTO professionals and paraprofessionals who  
27 rendered services to the Debtors in the Fee Period. The hourly rates and corresponding rate structure  
28 utilized by MTO in these chapter 11 cases are equivalent to the hourly rates and corresponding rate

1 structure used by MTO for corporate, regulatory, litigation, and restructuring related matters, whether  
2 in court or otherwise, regardless of whether a fee application is required. MTO strives to be efficient  
3 in the staffing of matters. These rates and the rate structure reflect that such matters are typically  
4 national in scope and involve great complexity, are of significant and material importance to our  
5 clients, and involve severe time pressures—all of which are present in these chapter 11 cases. MTO  
6 believes that its hourly rates are consistent with the rates charged elsewhere by comparable  
7 professionals, including those retained in these chapter 11 cases.

8 In sum, MTO respectfully submits that the professional services provided by MTO on behalf of  
9 the Debtors and their estates during these chapter 11 cases were necessary and appropriate given the  
10 complexity of these chapter 11 cases, the time expended by MTO, the nature and extent of MTO's  
11 services provided, the value of MTO's services, and the cost of comparable services outside of  
12 bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code.  
13 Accordingly, MTO respectfully requests approval of the compensation sought herein.

14 **Statement Regarding United States Trustee Guidelines**

15 The following information is provided in response to information requested in the guidelines  
16 promulgated by the U.S. Trustee:

17 **Question:** Did MTO agree to any variations from, or alternatives to, MTO's  
18 standard or customary billing arrangements for this engagement?

19 **Response:** No.

20 **Question:** If the fees sought in this Fee Application as compared to the fees  
21 budgeted for the time period covered by this Fee Application are higher by 10% or  
22 more, did you discuss the reasons for the variation with the Debtors?

23 **Response:** The fees sought are not higher by 10% or more than budgeted.

24 **Question:** Have any of the professionals whose fees are sought in the Fee  
25 Application varied their rate based on the geographic location of the Debtors  
26 chapter 11 cases?

27 **Response:** No.

28 **Question:** Does the Fee Application include time or fees related to reviewing or  
revising time records or preparing, reviewing, or revising invoices? (This is limited  
to work involved in preparing and editing billing records that would not be  
compensable outside of bankruptcy and does not include reasonable fees for

1 preparing a fee application). If so, please quantify by hours and fees.

2 **Response:** MTO is seeking compensation with respect to the approximately 63.8  
3 hours and \$51,195.50 in fees spent reviewing or revising time records and  
4 preparing, reviewing, and revising invoices for privileged or confidential  
information during the Fee Period.

5 **Question:** If the Fee Application includes any rate increase since retention, (i) Did  
6 your client review and approve those rate increases in advance?; and (ii) Did your  
client agree when retaining the law firm to accept all future rate increases?

7 **Response:** Yes.

8 **Reservation of Rights**

9 It is possible that some professional time expended or expenses incurred during the Interim Fee  
10 Period are not reflected in this Amended Application. MTO reserves the right to include such amounts  
11 in future fee applications.

12 **Notice**

13 The Debtors will provide notice of this Amended Fee Application in accordance with the  
14 Interim Compensation Order.

15 **No Prior Request**

16 No prior application for the relief requested herein has been made to this or any other court.
